

REMARKS

In response to the Restriction Requirement, applicant elects, without traverse, Group I, claims 1-28, for examination at this time. In view of the above election, applicant cancels claims 29-53 without prejudice to the filing of any divisional, continuation, or continuation-in-part application. Please note that the claims were numbered incorrectly in the originally filed UK application and do not include a claim 39. Therefore, this amendment cancels claim 39 as well. Consideration of the elected claims is now requested.

Respectfully submitted,
